

# ProHANGER™

storage bins, racks & systems

- ProHANGERS can be placed side-by-side to support extra-long parts, supplies or materials
- Unique “J-hook design” cradles various shapes and sizes of contents
- Available End Cap inserts keep items from sliding out
- One-piece construction; molded of high-impact plastic for durability
- Each ProHANGER is capable of supporting up to 75 lbs.

**NEW**  
product!

## Easy Long Parts Storage Wherever You Need It!

- ProHANGER can be used alone or with a variety of Akro-Mils products including a wide range of AkroBins®
- ProHANGER can even be mounted (using Louvered Hanging System) in service trucks for maintenance workers, plumbers, electricians, carpenters or other tradespeople
