Description

Move large volumes of material quickly and efficiently with this easy to maneuver cart. Reduce labor, improve productivity, and trim costs with its high volume capacity and swift maneuverability, making this cart an invaluable investment in reducing you operational expenditures. This cart has a zinc plated finish, features 2 rigid and 2 swivel casters, and holds a load capacity of 500 lbs. The 3 solid shelves allow smaller products to remain separated. The shelves can also fold up and be secured to allow the handling larger products. The cart folds for compact storage when not in use.
