Description

Move large volumes of material quickly and efficiently with this easy to maneuver cart. Removable shelves can be slid into position in up to 26 different shelving rails to accommodate various size materials and load capacities. Reduce labor costs, improve productivity, and trim overhead with its high volume capacity and swift maneuverability, making this cart an invaluable investment in reducing your operational costs. Towbars and hitches are standard equipment for towing by hand or by vehicle; they allow you to hook multiple carts together to move even more product in less time. Socket assembly provides knock-down shipping and handling efficiencies and quick set-up. This cart has a zinc plated finish with a lacquer dip on the base, sides, and shelves, and features 2 rigid and 2 swivel soft tread rubber wheels.

- Nursery: 5 Flats (56)
- Shelves sold separately
